The Music Photo Gallery se complace en anunciar su participación en la apertura del club cultural el PIONERO el 20 de Diciembre, 2022 en el balneario de Santa Monica (KM 177,5 de la Ruta 10) Jose Ignacio, Uruguay.

La exhibición incluye videos y fotografías únicas nunca antes vistas un show grupal en donde convergen obras de Bob Gruen (New York, 1945), Ebet Roberts y Mick Rock (Londres, 1948 -2021). Esta selección se aventura más allá de la escena del rock y el punk de Nueva York sumando el registro de la primera ola del punk británico con piezas increíbles de los Sex Pistols y The Clash que trajeron una actitud agresiva y una nueva imagen rebelde a la escena del rock. Hay retratos y fotos impactantes de Joe Strummer, Mick Jones, Paul Simonon, Debbie Harry e imágenes de The Clash tocando en vivo. También las clásicas fotografías de los Rolling Stones actuando en estadios repletos de audiencias que fueron testigos de la actitud, la pasión y la energía pura de artistas como Mick Jagger, Keith Richards, Robert Plant y Jimmy Page, cuyos nombres son sinónimos de rock and roll.

En esta ocasión Bob Gruen nos honrará con su primera visita a Uruguay en esta inolvidable apertura entre dunas, el océano y la laguna. El PIONERO nos traslada al lejano oeste y nos inundará de vivencias llenas de arte, fotografía y experiencias vitales.

Pionero - como ya adelanta su nombre es un lugar que llegó al agreste pero hermoso balneario de Santa Mónica (KM 177,5 de la Ruta 10) para traer la cultura, en coexistencia con el ambiente, donde la gente pueda empezar un viaje iniciático a un lifestyle quizá no tan desparramado en nuestro país. Entre las dunas, el océano y la laguna, con un paisaje que remite al Lejano Oeste, ofrece abrir las puertas de la percepción a un mundo lleno de música, arte, fotografía y experiencia vitales que, sin duda alguna, permanecerán gran tiempo en la retina de los asistentes.

Como aquellos pioneros que se animaron a emprender camino hacia las bellezas del Far West americano, Pionero Club ya desde su génesis - está inspirado en una iglesia de rock and roll ubicada en New Orleans - manifiesta que quiere hilvanar un sinfín de cultura viva en un mismo emplazamiento.

Con un escenario como centro neurálgico, los acordes de las guitarras eléctricas convivirán con exposiciones internacionales fotográficas del más alto nivel, con un sunset que se pone en la playa y antecede toda la embestida incontenible de un lugar lleno de "fuerza natural".

Es una invitación a ser parte de algo abierto a todos, tanto para el adepto acérrimo como para quien quiere iniciarse. Pero la enseñanza no se queda en la visita al club: una vez que uno entra al mundo de AC/DC, los Stones, Marc Bolan, Muddy Waters o Hank Williams, difícil no quedar prendado de este universo de maravillas que brinda a sus iniciados satisfacciones inconmensurables.

Pionero Club es un recoveco perdido de la costa uruguaya al que se puede ir solo, con amigos o con la familia. Una isla de la que nutrirse. Una joya en la que entregarse al Adisfrute y la formación cultural. En definitiva, un lugar del que llevarse muchas cosas. Incluso, una forma de vida.

THE MUSIC PHOTO GALLERY

ABOUT THE MUSIC PHOTO GALLERY

The Music Photo Gallery (TMPG) seeks to validate music photography as Fine Art Photography. Representing the most important photographers of music history worldwide, whose work captured the culture and popular idols of the 60's, 70's and 80's in the USA & UK.

Based in New York City and co-working from Buenos Aires, TMPG creates, produces, and develops original cultural content in innovative formats partnering with artists, photographers, filmmakers, curators, local producers, writers, designers, and professionals from all related areas, in order to legitimize the music photography genre as an accepted fine art expression.
